Office of the Robinson Machine Works, Richmond, Ind.

YEO & SHOEMAKER, Proprietors.

We desire to call your attention to our celebrated "GOLD MEDAL," Separators, Portable Engines of all sizes, Horse Power Threshing Machines, Portable Saw-Mills, etc. Our work for the coming season will be still improved in style and finish, and we think will be found superior to that of any establishment in America. Our long experience and close attention to every detail of the business, enables us to furnish our customers in all times with first-class machinery. We invite attention, especially to the great trial of Threshers at the Indiana State Fair, which was an important feature in that Exhibition. All the Machines on Exhibition were well known to the farming community, and being all of this class, unusual interest was excited in the contest.

Report of the Committee on Threshing Machines at the Indiana State Fair.

Your Committee beg leave to report the following as the result of their labors: There were three entries viz.: "Robinson Machine Works," Richmond, Ind., A Gaar & Co., and L. Q. Sherwood (Massillon Machine), of Indianapolis, Ind. The trial was set for Thursday, P. M. The wheat for all was taken from the same stack, and each Machine was run five minutes, as timed by a member of the Awarding Committee, and with this result: While the Gaar and Massillon Machines had threshed about five bushels each in the five minutes run, the Robinson Machine had ten bushels and two and one-half pounds, being more than double the amount threshed by the other Machines. Upon this the Committee were about to award the premium to the Robinson Machine, but the owners of the others asked for another run. Granting another trial under such circumstances was hardly reasonable, but your Committee wishing to give all parties every opportunity desired yielded, and asked the Robinson folks to do so, which they cheerfully consented to, they demanding, however, that the wheat for this trial should be divided, sheaf about to the different machines. This was done in our presence, and each Machine threshed its load, when on weighing up the wheat we found that the Massillon Machine had 380 pounds of wheat, the Gaar Machine 400, and the Robinson Machine 420½ pounds. In this run the Robinson Machine threshed at the same speed per minute as on the day before, and as it had saved and cleaned the grain better than either of the other Machines, the Committee decided in its favor.

LOTT S. BAYLISS, Chairman of Committee.

M E M O I R S .

Albert A. Mathews.

Rev. ALFRED A. MATHEWS was born in Mercer county, Pa., July 11th, 1838, and died August, 1st, A. D. 1869, at the age of 31 years and 20 days.

He emigrated from Pennsylvania to Illinois, in 1855, and located in the town of Wethersfield. Here he sought the Lord and joined the Missionary Baptist Church. In the winter of 1862 and 1863, the Lord poured out his spirit in no small degree on the M. E. Church in Wethersfield, under the labors of Rev. S. L. Hamilton, now of the California Conference. In this series of meetings, Rev. A. A. Mathews became much interested, and began to think seriously of joining the M. E. Church. After advising with Rev. Hamilton, and with the pastor and members of his own Church, he deliberately chose as his home the Church in which he died. He was soon licensed to exhort, and in time licensed to preach.

In the spring of 1864, Rev. S. A. Elliott's health failing, the Buda Circuit was vacated, and the Rev. J. Chandler, P. E., appointed Rev. A. A. Mathews pastor. At the close of this year, the Conference being held in Rock Island, he was admitted on trial into the traveling connection.

From his admission on trial, until the fall of 1866, he was the pastor of the Buda Charge. From the Conference of 1866, until that of 1868, he was in charge of the Tiskilwa Station. At the Conference of 1868 he was appointed to Chillicothe.

While pastor of the Buda Charge, he had the pleasure of seeing the membership increased from 83 to 181, and a good comfortable church valued at \$5,000, erected. He greatly endeared himself to the people of Buda, by his diligent and earnest efforts to build up the cause of God among them.

As pastor of the M. E. Church in Tiskilwa, he was also very successful. The membership, including probationers, was increased from 46 to 95. In this charge he was also very highly esteemed as a christian man and pastor. During this year, September 10, 1863, by Rev. H. Summers, his P. E., he was joined in marriage with Margaret A. Kirkpatrick.

He entered upon his duties as a minister of Christ for the fifth year after his admission into the traveling connection, with strong faith and true zeal, and during the winter saw in his charge—the M. E. Church in Chillicothe—the pleasure of

the Lord prospering in his hands. The Church was greatly revived, and a considerable number of persons were converted. In almost every particular the Church under his care was in a very prosperous state at his death.

Last March he assisted Rev. F. R. Boggess in a revival in Wethersfield, where he had the great joy of seeing his aged father come to Jesus. In this meeting many of his old neighbors were converted. Soon after this meeting he was attacked with hemorrhage of the lungs. Himself and friends hoped that it was but temporary. He desisted from preaching, thinking that rest and careful attention would soon restore him to soundness. August 1st, he went into the Church, not to preach, but to attend service. At the commencement of the service his lungs commenced bleeding, and he arose and went to the parsonage. Meeting his wife he spoke but a few words when the blood flowed freely from his mouth. Greatly frightened, she gave the alarm, and numbers of the congregation came to his assistance. He was strangling. Near the close of his struggling, he was heard in prayer to commit his wife and child to the care of God, and to repeat the prayer of Stephen, "Lord Jesus receive my spirit." In fifteen minutes from his leaving the Church, he was dead.

A funeral sermon was preached in the Church in Chillicothe, by Rev. A. Keller, and at Tiskilwa, by Rev. W. Underwood, immediately after which he was buried in the cemetery near the place last named. A few weeks later a funeral sermon was, at the request of his friends, preached in Wethersfield, by Rev. F. R. Boggess.

He leaves a wife and one child, a father, mother and two sisters, to mourn his loss. He was to his parents a very faithful son, and to his companion a very dear husband, and an affectionate brother to his sisters.

From his boyhood days he was a diligent student. From his espousal of the cause of Christ, a devoted christian, and from the time he received license to preach, a very zealous and successful minister of the gospel. While at Buda, his first charge, he sought and found the blessing of perfect love and lived in the enjoyment of this blessing until the hour of his death.

W. UNDERWOOD.

Fieldon M. Smith.

Rev. FIELDON M. SMITH was born near Hodgenville, Hardin county, Ky., June 16th, 1833. In 1840 his father removed to Warren county, Ill., and settled near Monmouth, where Bro. Fieldon grew to manhood. On the 5th of January, 1851, he joined the church as a seeker of religion under the ministry of Rev. B. Applebee, then serving Monmouth Circuit. A short time after he received the evidence of his acceptance with God, which continued to grow brighter till the day of his death.

He was licensed to preach some time in the Conference year 1853-4, and immediately employed by the Presiding Elder—the late Rev. M. Bourne—as assistant on the Oquawka Circuit. At the session of the Bock River Conference, Sep-

tember, 1854, he was received on trial and appointed with Rev. E. Ransom to Ottawa Circuit, and successively received the following appointments: 1855-6, Whitefield; 1856-7, Pontoosuc; 1857-8, La Harpe; 1858-9, Snatchwine; 1859-61, El Paso; 1861-2, Chenoa; 1862-4, Superannuated; 1864-5, Mackinaw; 1865-7, Knoxville; 1867-8, Avon, to which he was returned in 1868, by Bishop Janes, and where he closed his useful life in holy triumph, on the morning of the 20th of December, 1868. He was ordained Deacon by Bishop Janes at the first session of the Central Illinois—then Peoria—Conference, in Peoria, September, 1856, and Elder by Bishop Ames, in Bloomington, 1858; was married to Miss Juliette Cornwell, August 31st, 1859, who with three little daughters mourn the loss of a most devoted husband and father.

In stature, Bro. Smith was small, and of rather feeble constitution; yet on every charge to which he was sent, he was "in labor abundant." Just two weeks before he died he preached twice, though quite unwell. He tried to go to a third appointment in the evening, but was too sick to reach it. Thus ended his public labors.

Bro. Smith was an able preacher, though his talents were of a useful rather than a brilliant character. In the pulpit he sought not to attract attention to himself, but to the Cross. As a pastor, he excelled. He "preached Christ" not only "publicly," but also from "house to house." In every relation of life the predominating traits of his character were kindness and humanity, which greatly increased his usefulness. In his daily life he walked closely with God, and had reached a maturity in Christian experience that reproved many of his seniors in the ministry.

During part of his sickness his mind wandered, but for several hours before his departure he was perfectly sane, and conversed most cheerfully of his assurance that all was well.

When the death-damps were already on his brow, and the ominous rattle in his throat, the attending physician (a local preacher) said: "Brother Smith, you are dying, are you aware of it?" "Yes," he answered, in a calm, clear voice. His brother, Francis, asked him immediately, "Fieldon, do you know you are going to live forever?" "Yes," he responded, "that is the best of all," and tried to quote Mr. Wesley's dying words: "The best of all, God is with us," but his voice failed, and the good man was with the Savior he loved.

Monday, December 21st, the church in Avon, where he had so lately ministered, was crowded with a sympathizing congregation, to which Rev. Peter Warner preached a very appropriate sermon. The day following the body was taken to Abingdon, where, after the reading of the burial service, we laid him down to sleep till the "heavens be no more."

WM. UNDERWOOD.

Mary A. Millington.

SISTER MARY A. MILLINGTON was born October 16th, 1828, in Brandon, Rutland County, Vermont. She was united in marriage with S. C. Millington, now of the Central Illinois Conference, at the age of eighteen years; and until her death she filled the responsible station of wife and mother with strict and persevering fidelity.

In 1850 she and her husband emigrated to Illinois, and in the winter of '58 and '59 both were converted, and joined the M. E. Church, under the labors of Rev. W. A. Presson. In the following year, her husband having been received into the Central Illinois Conference, she accompanied him to their different fields of labor and resided on the following charges: Middleport, one year; Essex, two years; New Michigan, three years; Port Byron, one year, and Blandinsville, where she died on the 14th of August, 1869, without pain or suffering, and in full possession of all her faculties, in hope of a glorious immortality.

She was confined to her bed but a few days, although her health had been failing for nearly a year. She bid the family and friends farewell with calm and cheerful words, and left the additional testimony of an earnest christian life, that she has gone to a better world. She has left a husband and five children to mourn her loss.

JOHN LUCCOCK.

Mrs. Marion M. Kreidler.

MARION M., wife of Rev. D. H. Kreidler, of the Central Illinois Conference, died at Lexington, Ill., July 27th, 1869, aged 24 years, 9 months and 24 days. She was born in St. Thomas, Franklin county, Pennsylvania, October 3d, 1839. Was converted at the early age of eight years. Twenty-one years was given to the patient cultivation of the christian graces. The maturity attained by years of religious culture so early in life, the better prepared her to be the itinerant's companion and courageous in death. Five years of earnest toil in the Master's vineyard well attested her strong attachment to the life-work of her now bereaved husband. Her triumphant death gave ample evidence of her sure faith in Christ, and of His power to save in that trying hour. Her physician said, "he never witnessed such Christian heroism." A few moments before she died, her aged father said: "Daughter, you are almost home," Receiving an affirmative answer, he asked: "Is Jesus precious?" Her firm response was "Yes," and she was then away to her home in heaven, whence Jesus had bidden her, and loved ones were waiting.

3. On Education.

To the Bishop and Members of the Central Illinois Conference :

Your Committee on Education beg leave to report :

THE GARRETT BIBLICAL INSTITUTE.

Regarding the Bible as the basis of all christian civilization—as the foundation of *our* civil and religious liberties, and as containing the revelation of God's will to man ; it, therefore, becomes the most important book, and a thorough knowledge of its teachings, of primary importance to the christian, and *especially* to the christian minister. No ambassador of the Lord Jesus should be satisfied with less attainments than ability to read the scriptures in their original tongues ; and if we may be allowed to exhort a little, we would say, BRETHREN : *dig up the roots, and store them away.*

Your Committee is glad to learn that the Garrett Biblical Institute furnishes the means for thorough culture in all the departments of Biblical knowledge, and that it is sharing the Divine benediction, and the favor of the people, as is evinced in its increased patronage and means for making large additions to its Library ; therefore,

Resolved 1, That the Institute has our earnest sympathies and prayers for continued increasing prosperity.

Resolved 2, That we will call the attention of young men, looking toward the ministry, to the facilities of the Institute, and urge their attendance.

Resolved 3, That J. Luccock, D. D., and J. H. Rhea, be a visiting committee.

ILLINOIS WESLEYAN UNIVERSITY.

The past year has been one of more than ordinary prosperity. One hundred and eighty students have been in attendance, about one-half of whom have been in the regular college classes. Twelve have regularly graduated. The present year opens with promises of more than usual success.

The finances of the University are in a satisfactory condition. Certain unproductive funds and funds bearing six per cent. interest have been converted into funds bearing ten per cent.; thus providing more fully for meeting the current expenses of the Institution.

The work of the new college building is being vigorously pushed forward, the foundation and basement walls of stone, being completed at an expense of \$12,950.00. It is also believed that the whole building will be advanced nearly, or quite to completion, by the time of your next session. The Trustees are determined, however, not to incur any debt in its erection.

Rejoicing as we do in the continued and increasing prosperity of the University, and,

WHEREAS, The term of service of C. W. Holder, Esq., Rev. D. C. Benjamin, Rev. J. S. Cumming and Rev. Z. Hall, Trustees on behalf of your body, has expired, and,

WHEREAS, The Trustees of the University propose, if this Conference desire it, to build in the new University building, a fire proof room or vault, for the preservation of valuable papers and documents, for the joint use of the Illinois, and Central Illinois Conference,

Resolved 1, That we unite with the Illinois Conference in asking that such room or vault be provided.

Resolved 2, That we recommend the re-election of C. W. Holder, Esq., Rev. D. C. Benjamin, Rev. J. S. Cumming and Rev. Z. Hall, as Trustees of the Illinois Wesleyan University.

Resolved 3, That we respectfully request the Bishop to appoint Rev. O. S. Munsell, D.D., President, and Rev. J. R. Jaques, A.M., Professor in the University; and W. P. Graves, Financial Agent of the same.

Resolved 4, That Revs. F. M. Chaffee, P. A. Crist, G. W. Arnold, W. C. Knapp, E. P. Hall and E. Wasmuth be appointed Visiting Committee.

Resolved 5. That our prayer shall be for the continued prosperity of the University, and that we cordially recommend it to the sympathy and patronage of our people.

GRAND PRAIRIE SEMINARY AND COEMERCIAL COLLEGE.

Your Committee, to whom was referred the reports of the Trustees of Grand Prairie Seminary, and of the Presiding Elder of the Onarga District, beg leave to report that they find it enjoying a good degree of prosperity. This Institution is located at Onarga, in a beautiful section of our Conference, with the many interests

of christian civilization and enlightenment rapidly developing under its influence. It was founded June 10th, 1863, and is opened to both gentlemen and ladies.

D. E. Wheeler, A.M., is the Acting Principal, with whom are associated six teachers of marked faithfulness to their work.

The average attendance during the year has been 104, not including the primary department. Eight have graduated in the Commercial department. The property is valued at \$12,000, besides endowments of \$25,500. The income of the Institution has been

The Conference visitors—Pastors at Watscka, Dwight, Pontiac, Fairbury and El Paso.

Resolved, That we respectfully request the Bishop to appoint Rev. J. S. Cumming Financial Agent of Grand Prairie Seminary and Commercial College.

HEDDING FEMALE COLLEGE AND SEMINARY.

The committee having carefully considered the report of the Trustees of Hedding Female College and Seminary, and finding by said report that this institution has a growing prosperity, and that the board of instruction are making earnest and successful efforts to secure among the students a higher grade of scholarship in a more extended course of study, also that there is an urgent necessity for a more commodious building, and more extensive apparatus, and that said Trustees have determined to make a vigorous effort in canvassing the patronizing territory of this school for the purpose of raising a fund sufficient to erect a building suited to its growing necessities, and that they ask a financial agent to be appointed by the conference to attend to this work. We will therefore recommend the following resolutions to the conference :

Resolved 1st, That it affords us great pleasure to know that this institution is successfully prosecuting its mission in the cause of education and religion.

Resolved 2d, We cordially approve of the determination of the Trustees to erect such a building as the necessities of the school demand and the Bishop be requested to appoint Rev. C. Springer as Financial agent.

Resolved 3d, That the Bishop be requested to appoint Rev. M. C. Springer as Principal, and Rev. D. T. Wilson as Professor.

Resolved 4th, That Rev. Wm. Underwood, Rev. H. Ritchie, and Rev. D. H. Gray, be appointed Trustees.

Resolved 5th, That Revs. B. E. Kaufman, J. P. Brooks, W. D. H. Young, J. D. Smith, A. K. Tullis, G. W. Gue, and J. E. Rutledge, be appointed a Visiting Committee.

SCANDINAVIAN SCHOOL.

For the want of means we have been unable to put our Scandinavian school in operation, and having already sustained considerable loss on the account of this, we feel the greater necessity to commence the school in some form at as early a

date as possible, and for that purpose we have appointed a convention to be held in Chicago on the 28th of October next, where ultimate steps will be taken to put our school enterprise in some kind of operation. But still then, as now, we shall want means to do anything of a permanent character. What we now need is means. We therefore humbly ask you to recommend the appointment of our present Presiding Elder, S. B. Newman, as an agent for the Scandinavian school enterprise, to travel and solicit aid for the same, acting under the privilege guaranteed by the last General Conference, and that said agent might have an access to the American Congregations abroad, to present the case and receive such contributions as might be given. We have nothing further to ask at present, but submit this to your kind consideration, hoping that it may meet your approval and that you will recommend us this favor.

Resolved 1st, That we respectfully request the visitors appointed to our several literary institutions to present to this conference a clear and succinct report of the Financial, Literary and Religious status of the institution they are appointed to visit, at the next ensuing session.

Resolved 5th, That Rev. O. S. Munsell, be appointed a Committee to present to the Constitutional Convention the Resolution on the subject of pecuniary appropriations for denominational school purposes.

4. On Sunday Schools.

The Sunday School Committee beg leave to report as follows:

The statistics show that there are 156 charges in our Conference, 108 reported, 48 did not report, showing 350 schools, 3,707 officers and teachers, 24,784 scholars; the collections amounting to \$348.68, being a decrease of \$314.33 of last year.

We therefore recommend the following resolutions:

Resolution 1, That we have undiminished confidence in this great agency under God for the religious training of our youth in the knowledge of the Holy Scriptures.

Resolution 2, That we regret that some of our ministers still continue to organize Union Sunday Schools, and we recommend them not to do so wherever our schools can be formed.

There shall be two Directors, one Minister and one Layman for each district in the Conference. The ministers who are elected Sunday-School Directors at one session of the Conference shall be expected to serve as members of the Sunday-School Committee of the Conference at its ensuing session.

ART. 5. *Anniversary and Annual Meetings*.—The Anniversary and Annual Meeting of this Society shall be held some time during the session of the Annual Conference; at which time it shall be the duty of the Secretary and Treasurer to submit reports of the progress of the Sunday-School cause in our midst, and the amount of funds raised for its promotion.

ART. 7. *Board of Managers.*—The Officers and Directors of this Society shall constitute a Board of Managers, whose duty it shall be, severally and collectively, to pay special attention to the wants and interests of Sunday-schools throughout the bounds of the Conference; to attend Sunday-school Conventions; to organize and keep in active operation district auxiliaries; to collect facts; to raise funds for the Sunday-school cause; to make reports and statements to the Parent Society; and devise ways and means for promoting in every practicable degree the proper organization of Sunday-schools, the better qualification of teachers, and the religious instruction of the rising generation.

5. On Church Extension.

In the economy of Providence the Methodist Episcopal Church was constrained to organize a movement for the more successful establishment of Christ's Kingdom among men. Demands were made upon the church for means to aid feeble and build up new places—to secure what was already expended and to cultivate the fields which God was opening for development. Organization and systematic expenditure of means and effort were necessary, hence the Church Extension Society.

Previous reports have dilated on the open fields of the great South, which still call for help to comfort and bless her children with religious liberty, intelligence, and the hope of the gospel.

From within the bounds of our cultivated districts appeals are made and claims on our christian benevolence to secure changes which will prove fortifications against the enemy and the centers of moral and religious influence.

The building of the great Pacific Railroad also, has thrown open a vast region of cities, towns and pioneer homes, which all entreat us to contribute largely to fashion their moral character and mould their destiny to the honor of the Saviour's name.

Hence, your Committee would most earnestly recommend this cause to the sympathy and patronage of the church as being second to no other object of benevolence. Its calls and claims we *ought* not, we *cannot*, we *will not* resist! Therefore,

Resolved 1st, That the amount (\$3,000) apportioned to this Conference for collection last year was not an unreasonable amount, and we request the Presiding Elder to call for the same amount this year and distribute the same among the several districts and charges for collection, and to notify each Pastor and the Corresponding Secretary of the Conference Board of said appointment.

Resolved 2d, That we will use due diligence to secure the amount thus asked, and will report the result next year on the floor of the Conference as in the case of the Missionary collection.

Resolved 3d, That we commend the Loan Fund of the Society as especially worthy of liberal donations and bequests by all who desire to use their means for the promotion of Christ's Kingdom.

Resolved 4th, That the following named persons be appointed to constitute our Conference Board of Church Extension:

President—J. L. Knowlton, Peoria; Vice President—Pastor of 1st Charge, Peoria; Treasurer—J. M. Woodbury, Peoria; Corresponding Secretary—Pastor of Hale Chapel, Peoria; Recording Secretary—H. C. Lines, Peoria.

Directors—A. S. Proctor Rome; J. Brown, Peoria; L. L. Guyer, Brimfield; D. McWilliams, Dwight; D. Lowman, Toulon; Rev's. A. J. Anderson, J. S. Millsap, L. B. Kent.

CIRCULAR OF THE CHURCH EXTENSION SOCIETY OF THE M. E. CHURCH.

Office 1013 Arch Street, Philadelphia, Pa.

OFFICERS.—BISHOP SIMPSON, D. D., *President*; ALPHA J. KYNETT, D. D., *Corresponding Secretary*; CHARLES C. McCABE, A. M., *Agent*; A. H. DELHAVEN, (No. 40 South 3d Street,) *Treasurer*.

ORGANIZATION.—The Church Extension Society was organized by direction of the General Conference of 1864, and was incorporated by the Legislature of Pennsylvania, March 13, 1865. On recommendation of the Board of Managers, the Constitution was revised, and the Society more closely identified with the Church, by the General Conference of 1868. The Charter was revised to correspond, by the Legislature of Pennsylvania, March 11, 1869. The Society embodies,

I. THE GENERAL COMMITTEE OF CHURCH EXTENSION.—This meets in Philadelphia in November of each year, and determines, for the year ensuing: 1. The amount the Church shall be asked to contribute through the regular collections; 2. The amount that may be appropriated by donations and loans; and, 3. The distribution of both Collections to be made and Appropriations authorized, among the Conferences severally. Composed of one member from each Episcopal District acting jointly with the Bishops and Managers, this Committee is well calculated to secure an equitable distribution of the burdens and benefits of the Society.

II. THE PARENT BOARD OF MANAGERS.—This is charged with "the management and disposition of all the affairs and property of the Society." But in making appropriations it must recognize the limits fixed by the General Committee.

III. IN EACH CONFERENCE, THE CONFERENCE BOARD OF CHURCH EXTENSION.—This "has charge of all the interests and work of Church Extension within the bounds of the Conference." It should see that the amount asked of the Conference is distributed for collection among the Several Districts and Pastoral Charges, and carefully examine and determine upon all applications for aid from within the Conference recommending Appropriations, only within the limits fixed by the General Committee.

INCOME.—This is derived from two sources: 1. From Annual Collections, creating THE GENERAL FUND. The amount desired, each year, for this fund, of the Several Conferences, Districts, and Pastoral Charges, is indicated to each in the manner above described. It is by the Discipline made the duty of each pastor to "preach a sermon on this subject in each congregation once in every year, and solicit contributions from each in aid of the Church Extension Society." It is expected that each congregation will contribute the amount that has been indicated, and that the Parent Society will thereby receive the aggregate amount asked for by the General Committee, Bishops, and Managers. The Parent Board keeps an accurate account with each Conference, and each Conference Board with every pastoral charge. The Annual report of the Parent Society will contain an exhibit of the amount asked and received of each Conference, and that of the Conference Board of the amount asked and received of each District and Pastoral charge.

2. From Special Donations and Bequests creating THE LOAN FUND. There are a multitude of cases, too weak to build within themselves, that would soon become

strong by building a suitable church. If such could be aided by a temporary loan, bearing little or no interest, they would build at once, thereby securing large increase of strength, and in a few years would cheerfully return the amount borrowed, to be loaned again to others in like manner. To meet cases of this kind the Loan Fund is proposed under the following provisions: *First*, no part of said Fund shall ever be donated for any purpose, or used for current expenses, but shall be preserved, without diminution, a perpetual fund. *Secondly*, said Fund may be loaned to any Church or society, without interest in small sums, in no case exceeding five thousand dollars, or with interest, as occasion may require, and the Board shall from time to time determine, in aid of the objects of the Church Extension Society. Sums of five thousand dollars and upward, contributed by any one person, Church, or Conference, shall be named by the contributor, and shall constitute a separate Loan Fund, and the Corresponding Secretary shall report annually the investment thereof, and the work accomplished thereby. In this connection, provisions are made that those who may have means to be devoted to religious uses, but who may need or desire the income from the same during their lifetime, shall receive an annuity equal to a reasonable interest on the amount they may contribute to Loan Fund, the said annuity to be paid annually, semi-annually, or quarterly, as the contributor may desire. If placed here, their means, besides procuring, at least, the ordinary income, will, as their representative, be constantly doing a work of the first importance to the Church, and, under the general provisions for the administration of the Loan Fund, will report results every year.

APPROPRIATIONS.—Appropriations, by donation or loan, are made upon application by or in behalf of the Trustees of the Church seeking aid. The application should be upon blank forms furnished by the Parent Board, and must contain the information therein provided for. Appropriations are made only by the concurrent action of both the Conference and Parent Boards, and nothing less than this constitutes an obligation against the Society.

BEQUESTS AND DEVISES TO THE CHURCH EXTENSION SOCIETY.—Persons desiring to make bequests to the Society by will, are requested to observe the following form :

I give and bequeath to the “CHURCH EXTENSION SOCIETY OF THE METHODIST EPISCOPAL CHURCH,” incorporated by the Legislature of the State of Pennsylvania, the sum of and the receipt of the Treasurer thereof, shall be a sufficient discharge to my executors for the same.

FOR DEVISE OF LAND.—I give and devise to the “CHURCH EXTENSION SOCIETY OF THE METHODIST EPISCOPAL CHURCH,” incorporated by the Legislature of the State of Pennsylvania, the following land and premises, that is to say : (describe land) to have and to hold the same, with the appurtenances, to the said Society, its successors and assigns forever.

For further information, see Discipline of 1868, p. 247, the last Annual Report of the Society, in the same volume with the Missionary and other Reports, or address the Corresponding Secretary, at No. 1018 Arch Street, Philadelphia.

8. On Freedman's Aid Society.

That four-fifths of all the preachers of the Central Illinois American Conference should have entirely neglected asking aid for this society can be explained only on the hypothesis of their not having been duly impressed with the importance of the work it seeks to accomplish, and the momentous interests we may sacrifice by unreasonable and unnecessary delay. Accordingly, your committee would respectfully submit the following:

WHEREAS, This enterprise contemplates the education and elevation of enfranchised millions who are called to share with us the responsibilities of the government of this great people; and to co-operate with us in the evangelization of the world; and,

WHEREAS, The genius of our government may at an early day undergo such a modification that further support from our National Treasury through the medium of the Freedman's Bureau may be withheld; therefore,

Resolved 1. That in behalf of our common humanity and the cause of Christ we express our gratitude for the liberal co-operation extended by the Freedman's Bureau.

Resolved 2. That we reassert the claims of this society as set forth in our discipline.

Resolved 3. That the whole work of a Methodist preacher is not done until he has made an earnest appeal to his people in the interests of this cause.

Resolved 4. That the claims of the Freedman's Aid Society be intelligently and forcibly presented in our several congregations and collections taken on the last Sabbath of October, and the proceeds forwarded at once to Hitchcock & Walden, to aid in promotion of this great work.

JAMES H. SCOTT,
C. M. WRIGHT,
WM. WATSON,
M. SPURLOCK,
WM. LEBER.

9. On Tract Cause.

Your committee have learned from latest reports from the Tract Department of the Church, that the demands are still pressing and constantly increasing for the distribution of tracts and for special efforts in this direction, though the receipts of the Society for 1868, are over \$1,700.00 in advance of 1867.

We are glad to announce that our own Conference is doing something by way of tract distribution, giving an advance of \$12.51 over last year's collections, as now reported.

Your committee recommend the following for adoption :

WHEREAS, The distribution of religious truth has been owned of God and proven an instrument of great good and moral healing to individuals and communities, therefore,

Resolved, That as pastors, we will give increased attention to this method of disseminating religious truth.

11. On Western Seamen's Friend Society.

WHEREAS, The Western Seamen's Friend Society has labored with increasing energy and efficiency during the past year, and succeeded in finishing and furnishing a commodious and valuable Sailor's Home in Cleveland, and another in Milwaukee, and is building a Boatman's Home and Bethel in Cincinnati, and is establishing the same in St. Louis, and has obtained a charter with a good organization, for building a Sailor's Home in Chicago, and is sustaining interesting and successful missions among the toilers on our great lakes and rivers, at Pittsburg, Erie, Toledo and Detroit, on the Mississippi and Ohio rivers, and on the islands in Green Bay and Lake Michigan, and is arranging for the same on the Missouri and Illinois rivers, thus distributing Bibles, tracts, and papers, giving Sunday School instruction, and preaching the gospel to many thousands not otherwise reached by the church ; therefore,

Resolved, That we commend said society and its missionaries to the sympathies and generous consideration of the christian public:

J. CHANDLER,
G. W. BROWN,
J. D. SMITH.

11. On American and Foreign Christian Union.

The committee submit the following :

That, believing the doctrine and usages of the Roman Catholic Church to be such as endanger the salvation of souls, and destroy the very foundations of civil and religious liberty ; therefore,

Resolved 1. That we rejoice in such an opportunity of concentrating all truly christian means, to resist its aggressive movements, as that proposed by the American and Foreign Christian Union.

Resolved 2. That we will recommend the objects and the work of this society to our people, and urge them to co-operate with it as far as they can.

Resolved 3. That we will use all proper means to discourage our people sending their children to Roman Catholic schools.

Resolved 4. That should an agent of the society be sent among us, we will welcome him to our pulpits and commend him to our people.

F. SMITH, *Chairman*.

J. E. TAYLOR, *Secretary*.

12. On the Observance of the Sabbath.

WHEREAS, We are commanded by divine authority to remember the Sabbath day, to keep it holy, and believing that it is the christian's most sacred duty to observe the command in its true spirit, and,

WHEREAS, The Sabbath day is fearfully profaned, both by individuals and corporations, and is openly assailed by many opposers of christianity, and as we are fully persuaded that not only must christianity, but also the highest interests of our country, stand or fall with it ; therefore,

Resolved, That we as christian ministers will urge upon the people amongst whom we labor, the necessity of its faithful observance, and by frequent and earnest appeals, try to create a more heathful public opinion against Sabbath-breaking of every kind, whether by individuals, corporations, or the general government.

J. FERGUSON, *President*.

G. W. HAVERMALE, *Secretary*.

14. On Temperance.

WHEREAS, We are more than ever impressed with the fact that intemperance is a great and growing evil, and,

WHEREAS, It becomes all christians, and especially ministers of the gospel to stand forth boldly, both by precept and example, in defence of the cause ; therefore,

Resolved 1. That as a Conference, we recommend that all the preachers of this

Conference preach at least one sermon the ensuing year, on the subject of temperance, and that that be on the last Sabbath in June, or as near thereto as practicable according to the provisions of the General Conference. And that we recommend both by precept and example, that the membership of our church heartily co-operate with temperance organizations in the suppression of intemperance.

Resolved 2. That we believe that use of domestic wine, as a beverage, is a great evil, and should be reprov'd by every friend of temperance.

Resolved 3. That as ministers of the gospel, we earnestly recommend to the officers of the church to procure unfermented wine for sacramental purposes.

F. SMITH, *Chairman.*

J. H. SANDERS, *Secretary.*

By-Laws

Of the Central Illinois Preachers' Aid Society.

1. The officers of this society shall consist of a President, Vice-President, Secretary, Treasurer and five Directors, who shall be elected annually at the regular meeting of the society, and they shall hold their respective offices until their successors are appointed.

2. All members of the Central Illinois Conference of the M. E. Church shall be eligible to membership in this society upon application at any regular meeting of this society, and the payment of fifty cents as an initiation fee.

3. The annual meetings of this society shall be held at the times and places of the annual sessions of the Central Illinois Conference, and on such day of the session, and such hours of the day as may be agreed upon by the Board of Directors; but no such meeting shall be held until the time and place of said meeting has been at least twice proclaimed in open conference by the President of the Board of Directors.

4. All members of this society shall be regarded as in good standing who shall continue to exercise the functions of the ministerial office, whether they may be *effective, supernumerary, superannuated* or local, and continue to pay the assessments of the society, as hereinafter provided.

5. When any member of this society shall die, it shall be the duty of the Secretary to send a notice of such death to each member by letter, together with the assessment per member necessary to create the sum of *One Thousand Dollars* for his widow or children, which assessment shall be due from and after the time of receiving said notice, and all members who fail to pay such assessments before the adjournment of the next session of the Annual Conference thereafter, shall forfeit their relation to the society—*provided*, however, that if the death of a member occur so near the session of the Conference that the Secretary cannot give the several members thirty days notice before the opening of the ensuing session, the adjustment of such claims shall be made in the next Conference year. In all forfeitures as above, the membership may be regained by paying into the treasury all arrearages due with ten per cent. interest on the sum for the time they have been due. If the first assessment shall be found insufficient to aggregate the sum of *One Thousand Dollars*, a second assessment shall be made upon the same

terms and conditions of the first, and the sum of \$1,000 00 so collected shall be paid by the treasurer to the widow or the guardian of his children, taking a receipt for the same.

6. If any person shall fail to become a member of this society when eligible to membership and shall at any time subsequently desire to become a member, he shall be required to pay in addition to his initiation fee an amount equal to the sum of the assessments paid by each member of the society after the date of his eligibility to membership in the society. Also, if any minister who shall be transferred to the Central Illinois Conference shall desire to become a member of this society he shall pay in addition to his initiation fee an amount equal to the sum of the assessments paid by each member of this society, after the date of his admission into the traveling connection.

7. The treasurer of this society shall be required to issue such bonds as shall be approved by the Board of Directors.

8. The duties of the officers of this society shall be such as are common in similar societies wherein they may not be defined by the charter and by-laws, and all officers of the society shall be elected by a hand vote.

9. After the notices have been given for a meeting of the society as prescribed by the third by-law, any number of the members of the society not less than fifteen present at such meeting shall constitute a quorum for the transaction of business.

10. These by-laws may be altered or amended by a two-thirds vote of the members of the society present at any regular meeting.

THE GREAT AMERICAN CONSUMPTIVE REMEDY.

Dr. WILLIAM HALL'S BALSAM FOR THE LUNGS,

FOR THE CURE OF

**Consumption, Decline, Asthma, Bronchitis, Wasting of Flesh, Night
Sweats, Spitting of Blood, Hooping-Cough, Difficulty of
Breathing, Cough, Croup, Influenza, Phthisis,
Pain in the Side, and all Diseases
of the throat and Lungs.**

ALTHOUGH Consumption has been regarded as almost inevitably fatal, it is now a well established fact in medical science that the lungs have been healed up after extensive disease and ulceration had existed. There are well authenticated cases on record occurring in dissections in hospitals, and in *post-mortem* examinations in private practice, in which the lungs have revealed scars or *cicatrices*, showing conclusively that at one time there had existed ulcers or ulcerous cavities in the lungs which had become healed up, either through the favorable influence of remedies, or the curative process of Nature. These instances are sufficiently numerous to encourage both the medical profession and the unfortunate victims of this fatal disease not to yield too hastily to the suggestions of despair, but to persist in the use of remedies of acknowledged excellence as long as there is life. But, independent of what medical science has discovered upon the subject, we think that **Dr. Wm. Hall's Balsam for the Lungs** has furnished conclusive evidence that the tuberculous disease of the lungs or consumption, can be cured, and that, too, after it has made considerable progress towards a fatal termination. It is impossible to resist the overwhelming testimony that has come to us from all parts of the country in proof of the great curative powers of this remedy in *Consumption*. The evidence on this point has now been accumulating for nearly a quarter of a century, and would fill a small volume. We think, therefore, the most skeptical can no longer doubt that **Dr. Wm. Hall's Balsam** has cured this fatal destroyer of the young, the gifted and the beautiful. What it has done it is capable of doing again. At any rate, the evidence of its great virtues is so strong and so convincing, that no Consumptive should despair until he has given it a trial. Besides, it is not unreasonable to suppose that **Dr. Wm. Hall's Balsam for the Lungs** will cure Consumption. We have shown that dissections prove the fact that ulceration of the lungs is not necessarily fatal, but that these ulcers have been healed up, and the lungs become sound and healthy. This has taken place under some remedial treatment. Why not, therefore, believe that Hall's Balsam will cause the tuberculous ulcers and cavities to heal up, when so many have testified that it did cure them, and that, too, after their friends and their physicians had pronounced them in the last stages of Consumption, and had given them up to die? We are constrained to think that no one is justified in maintaining his prejudices and his skepticism in the face of such incontrovertible evidence, and on account of these, refusing to employ a remedy that might be the means of saving his life.

Read the following strong testimony to the great virtues of Dr. Wm. Hall's Balsam for the Lungs :

Mr. JOHN A Cox, Cox's Landing, Cabell County, West Virginia, writes us, July 10, 1864 :

"Mr. Henry Hall having been discharged from the United States Hospital at Washington City, D. C., that he might die with his friends, being very low with consumption came to my house. I called a physician, and was told by him that he could not live forty-eight hours. I then said to the physician, that as Mr. Hall would certainly die, I would have him take *Dr. Hall's Balsam for the Lungs*, as I had great faith in it. He replied that he had no objection, as nothing would benefit him, and then himself gave him a dose of the Balsam. I gave it until the next day, when the physician called, and requested us to continue the Balsam, which we did for four or five days, when Mr. Hall was able to leave his bed. He continued to take it until he was entirely cured. The cure took place some twelve months since. Mr. Hall is now strong and hearty, and feels that he owes his life to the use of *Dr. Wm. Hall's Balsam for the Lungs*. I also believe that he would not have lived a week after he came to my house, if he had not taken the Balsam."

Mr. Carlisle Wait, Williamson, Wayne County, New York, writes us, February 7, 1867, as follows :

"It is almost one year since I was taken sick. I have been visited by the best physicians in this part of the country. They all called it *quick Consumption*, and claimed there was no help for me. Early last fall I commenced taking *Dr. Wm. Hall's Balsam for the Lungs*. I have taken four or five bottles, and to-day I feel as well as I ever did. I sincerely believe it was the means of saving my life."

Common Sense Book for the People,

On the New Treatment for Diseases of the

NOSE, THROAT AND LUNGS, BY MEDICATED INHALATIONS.

CONSUMPTION, ASTHMA, BRONCHITIS, NASAL, CATARRH AND LOSS OF VOICE, are diseases of the air-passages, and have no connection whatever with the stomach. You cannot cure them, therefore, by pouring medicine into the stomach because they never reach the seat of the disease. These diseases can be cured, however, if you can get the medicines to act directly upon them. This you can do by reducing the medicines to a condition of vapor and breathing them as you do common air. Such medicated air should neither be hot nor moist, and none but an educated specialist should attempt to administer them in this way. I have been practicing this system of treatment for twenty years, twelve of which I have been located in Cincinnati, and have with it cured thousands of cases of Consumption, Asthma, Bronchitis, Nasal Catarrh, Loss of Voice, and every other form of disease of the Nose, Throat and Lungs after all other tried means had failed.

I have published a book called "COMMON-SENSE BOOK," explaining this whole system of treating diseases of the Lungs by inhaling medicated air, which I will send to any person in any part of the United States or Canada on the receipt of 25 cents to pay postage, and the name of the applicant, with post-office address. To persons who are sick and unable to pay the postage, I will send the book without charge and pay the postage myself. Don't hesitate to send for this book, as it will be sent cheerfully on the above terms to all parts of the United States. In the providence of God it may do good and alleviate suffering. Send for it at once.

William Barnes, Sup't. of Insurance Department of the State of New York says: "Your plan of making dividends according to the capital (or net value) which each partner has in the company, is entitled to much credit for its justice and simplicity, and probably hits upon the principle which a court would adopt in distributing the assets of a mutual company in winding up its affairs through Receivership or otherwise."
